About Sherwin Wing – Group 5

Group 5 rooms are the most popular within this facility due to their spaciousness and direct access to secured, private external courtyards. These ground floor rooms typically have a floor area of approximately 14 to 16 square metres and accommodate one resident. The private and exclusive ensuite is purpose built. Each room is equipped with the essential features including hospital bed, built-in robe, drawers and a dressing table. The room also features window treatments, reverse-cycle airconditioning in addition to a wall-mounted electric fan. Group 5 rooms are situated conveniently close to the dining room, nurses' station and lounge and activity areas.

*Payment information

Residents will be able to choose how they pay for their accommodation. By either an up front refundable accommodation deposit (RAD), a daily accommodation payment (DAP), or a combination of these. The daily payment accrues daily and is paid periodically. You may also choose to pay a combination of these two methods, including a partial lump sum with daily payments.

You may be eligible for government assistance based on the assessment of your income and assets. Further information about this and more, can be found on our website www.arc.org.au.

Prices are correct at the time of print and are subject to change.

For more information about these rooms or other details please contact our office.
